What is Safeguarding adults?

'Safeguarding means protecting an adult's right to live in safety, free from abuse and neglect. It is about people and organisations working together to prevent and stop both the risks and experience of abuse or neglect, while at the same time making sure that the adult's wellbeing is promoted including, where appropriate, having regard to their views, wishes, feelings and beliefs in deciding on any action. This must recognise that adults sometimes have complex interpersonal relationships and may be ambivalent, unclear or unrealistic about their personal circumstances.'

Care and Support Statutory Guidance, Department of Health, updated February 2017

All adults should be able to live free from fear and harm. But some may find it hard to get the help and support they need to stop abuse.

An adult may be unable to protect themselves from harm or exploitation due to many reasons, including their mental or physical incapacity, sensory loss or physical or learning disabilities. This could be an adult who is usually able to protect themselves from harm but maybe unable to do so because of an accident, disability, frailty, addiction or illness.

Baltic Wharf Sailing Club adheres to following the six key principles that underpin safeguarding and Care Act.

- Empowerment
- Prevention
- Proportionality
- Protection
- Partnership
- Accountability

Baltic Wharf Sailing Club will not tolerate the abuse of adults, Club members should ensure that their participation within the club reflects the principles above and ensure the adult with care and support needs is involved in their decisions and informed consent is obtained. Baltic Wharf Sailing Club should ensure that the safeguarding action agreed is the least intrusive response to the risk. Baltic Wharf Sailing Club should be transparent and accountable in delivering safeguarding actions.

What is Making Safeguarding Personal (MSP)?

MSP means a case should be person-led and outcome-focused. The individual should be involved in identifying how best to respond to their safeguarding situation by giving them more choice and control as well as improving quality of life, wellbeing and safety.

Baltic Wharf Sailing Club will not tolerate the abuse of adults Baltic Wharf Sailing Club will ensure that adults are involved in their safeguarding arrangements and each individual is dealt with on a case by case basis. As adults may have different preferences, histories and life styles, the same process may not work for all.

Who do adult safeguarding duties apply to?

The Care Act 2014 sets out that adult safeguarding duties apply to any adult who:

- has care and support needs, and
- is experiencing, or is at risk of, abuse and neglect, and
- is unable to protect themselves from either the risk of, or the experience of abuse or neglect, because of those needs

Who do I go to if I am concerned?

The named responsible person for safeguarding duties for Baltic Wharf Sailing Club is the club Safeguarding Officer.

All members, visitors and associates should contact BWSC Safeguarding Officer for any concerns/queries they have in regards to safeguarding adults. In the absence of Baltic Wharf

Sailing Safeguarding Officer, the Club secretary maybe contacted. A log of the concern must be kept.

The Safeguarding Officer will be responsible to make decisions about notifying adult social services if required and consider alternative actions, where necessary.

The Safeguarding Officer will also ensure that the safeguarding adults policies and procedures are in place and up to date. They will ensure a safe environment is promoted for all members, visitors and associates.

What should I do if I am concerned?

Members, visitors and associates at Baltic Wharf Sailing Club who have any adult safeguarding concerns should:

1. Respond
 - Take emergency action if someone is at immediate risk of harm/in need of urgent medical attention. Dial 999 for emergency services
 - Get brief details about what has happened and what the adult would like done about it, but do not probe or conduct a mini-investigation
 - Seek consent from the adult to take action and to report the concern. Consider whether the adult may lack capacity to make decisions about their own and other people's safety and wellbeing. If you decide to act against their wishes or without their consent, you must record your decision and the reasons for this.
2. Report
 - Name the person to whom members, visitors and associates need to report any potential safeguarding concerns. BWSC Safeguarding Officer
3. Record
 - As far as possible, records should be written contemporaneously, dated and signed.
 - Keep records about safeguarding concerns confidential and in a location where the alleged abuser will not have access to the record. Access should not be given to any unauthorised personal for accessing confidential information including the sharing of passwords.
4. Refer

In making a decision whether to refer or not, the BWSC Safeguarding Officer should take into account:

- (1) The adult's wishes and preferred outcome
- (2) Whether the adult has mental capacity to make an informed decision about their own and others' safety
- (3) The safety or wellbeing of children or other adults with care and support needs
- (4) Whether there is a person in a position of trust involved
- (5) Whether a crime has been committed

This should inform the decision whether to notify the concern to the following people:

- o the police if a crime has been committed and/or
 - o relevant regulatory bodies such as Care Quality Commission, Ofsted, Charities commission
 - o service commissioning teams
 - o family/relatives as appropriate (seek advice from adult social services)
- The designated safeguarding lead should keep a record of the reasons for referring the concern or reasons for not referring

The BWSC Safeguarding Officer should keep a record of the reasons for referring the concern or reasons for not referring.

Incidents of abuse may be one-off or multiple and may affect one person or more. All members and associates should look beyond single incidents to identify patterns of harm. Accurate recording of information will also assist in recognising any patterns.

As soon as Adult Social Services becomes involved, a 4-stage safeguarding adults process is followed. For more information about this 4-stage safeguarding adults process, refer to the London Safeguarding Adults Procedures.

What are your roles and responsibilities?

Feedback should be given in a way that will not make the situation worse or breach the Data Protection Act. If the police are involved, they should be consulted prior to giving feedback to the referrer to ensure any criminal investigation is not affected.

The local authority will decide on who will lead on a safeguarding enquiry should it progress to that stage. The named organisation should not conduct its own safeguarding enquiry unless instructed to do so by the local authority.

All members and associates should ensure that the adult with care and support needs is involved at all stages of their safeguarding enquiry ensuring a person-centred approach is adopted.
