

baltic wharf sailing club

sail in Bristol harbour

RISK ASSESSMENT No: 004 September 2022

Activity: Club Room

All Baltic Wharf Sailing Club races that take place in Bristol Floating Harbour are under the overall safety control of the Harbourmaster (employed by Bristol City Council). It is not possible to test for leptospirosis (Weil disease). The risk of contracting this disease is very low.

The club Room is part of the Underfall Yard complex

Key: R: Scale of risk after mitigation/ control (r – m/c) r: Scale of Risk (L x C)

L: Likelihood of Hazard occurring		Scale	C: Consequence should the Hazard happen		Scale of Risk	Description	Action
Frequent	Likely to occur many times	5	Catastrophic	National impact / Loss of life Loss of Equipment	13 – 25	Unacceptable risk	Very high risk (19-25): Must be eliminated or moved to a lower level.
Probable	Likely to occur several times	4	Critical	Major accident / injury Damage to Equipment insurance claim			Significant risk (13-18): Approval must be sought before continuing
Occasional	Some times	3	Serious	Serious incident. Lost time injury Damage to Equipment	8 – 12	Undesirable risk	Must be avoided if reasonably practical. Seek approval to continue
Remote	Unlikely but possible	2	Marginal	First aid accident / minor damage to dinghy	3 – 7	Acceptable risk	Can be accepted, provided that the risk is managed
Improbable	Very unlikely / Assume never	1	Negligible	Very Minor. Little consequence	1 - 2	Negligible risk	No further consideration needed
